5<sup>th</sup> European Conference on Unsaturated Soils

1 to 3 September 2025, Instituto Superior Técnico, Lisbon, Portugal

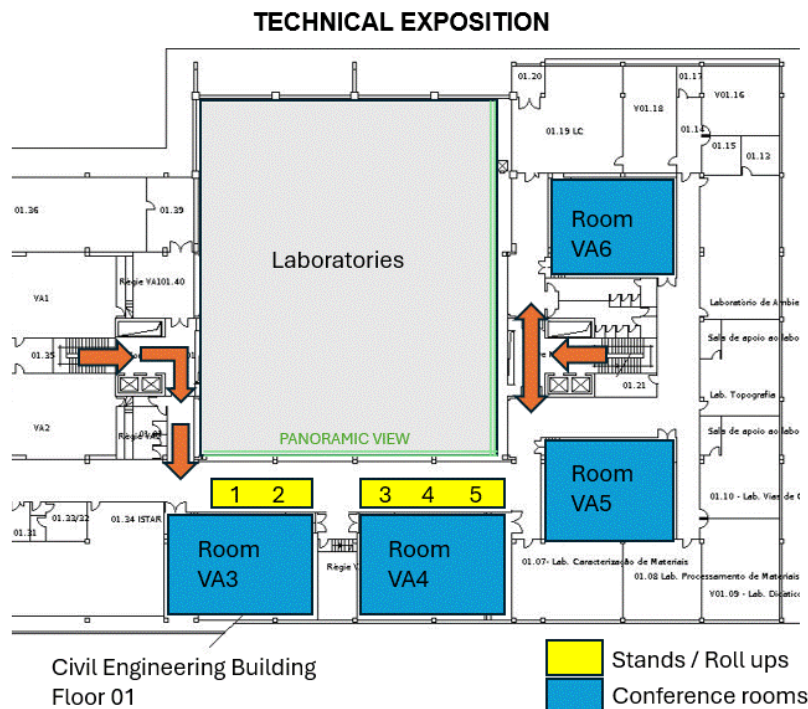

## SPONSORSHIP AND TECHNICAL EXPOSITION

During the conference, a Technical Exposition will take place (stand or roll-up), allowing for the participation of companies or organizations interested in Unsaturated Soils, Characterization of Materials, Biotechnology applied to Geotechnical Engineering, and Geotechnical Engineering in general.

The exhibition area will be on floor 01 of the building of Civil Engineering (see plan below) along the corridor connecting all the conference rooms and passage to the exterior, where coffee breaks and lunches will be served. This corridor has a panoramic wall to the laboratories.

Stands (2x3 m<sup>2</sup>) with 1 desk and 2 chairs, or Roll-ups are predicted. Their final location, in yellow in the figure below, will be set on 'first come, first served' basis and in accordance with the number of requests.

Power supply and wi-fi connection will be provided. Any further special requirement can be discussed with the organizers (contact: [info@eunsat2025.tecnico.ulisboa.pt](mailto:info@eunsat2025.tecnico.ulisboa.pt)).
